FACTSHEET

se:café team table

The se:café team table is the central meeting point of the Smart Café: a place for socialising and working in an open office. As an eyecatcher, it encourages collaboration and creates a homely environment at the same time. The team table has space for up to 14 people, with veneered and natural surfaces. As a place where people can work together during the day, celebrate successes and have an after-work dinner in the evening, it fosters a strong sense of connection and alignment with the company.

Advantages

- As a central meeting point, e.g. for teams, se:café team table can promote socialising and collaboration.
- Natural materials promote well-being and productivity.
- The group table has a high-quality appearance and conveys value.
- The table ensures that employees identify more strongly with the company.
- Social interaction, exchange and communication are encouraged.

Features

- You can choose between a plank look (with or without functional joint) and a continuous table top.
- The Sedus logo is branded on the edge of the table.
- The surfaces of the table top and table legs (with frame) are identical in colour.
- The table can be designed according to the number of people and can accommodate up to 14 people.

Options/accessories

- The following table widths are available: 1800 and 2400 mm (one-piece) and 3600 and 4800 mm (two-piece).
- The following table depths can be selected: 1050 and 1200 mm.
- When choosing the plank look, an optional functional joint can be integrated in the table top.
- Optionally, se:café team table can be equipped with a basic electrical connection under the table top including a black supply cable.
- The electrification is integrated into the table frame and the position can be selected individually (PIX socket or PIX USB charger A/C).
