

# se:hive private

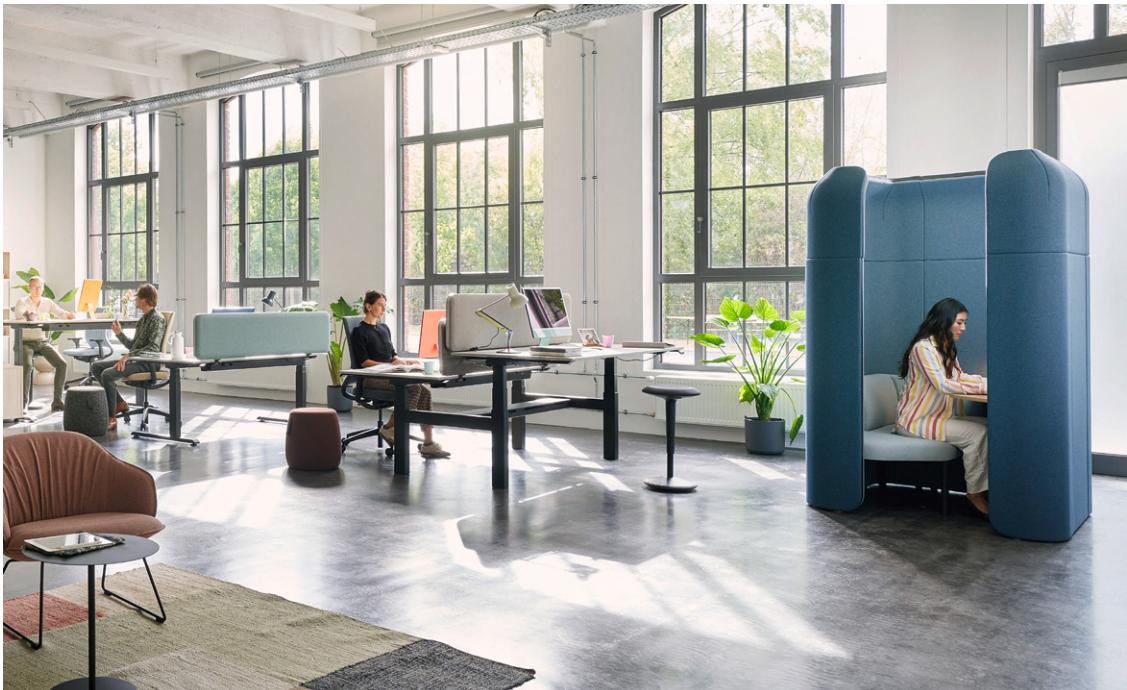

Used as a retreat, the se:hive product family creates flexibly adaptable room structures that fit into existing facilities as well as new space concepts.

se:hive private includes a fully upholstered bench and a table with a design that blends in seamlessly to create a private room solution. Thanks to its work-focused orientation and seat height, which is adapted to standard table dimensions, se:hive private combines functionality with comfort and creates an inviting and sheltered atmosphere.

## Advantages

- se:hive private visually divides open space or large areas, creates zones and contributes to a pleasant office atmosphere.
- The fabric-covered elements effectively reduce noise and create quieter retreats within the often noisy open space.
- The interior and other work solutions expand the application potential from individual product to whole-space solution – from private retreats to open communication areas.
- The temporary retreat in modular design provides both visual and acoustic screening.
- A broad selection of colours provides plenty of design possibilities.
- The organic design and wide variety of colours and materials for the privacy screens exudes cosiness.

## Features

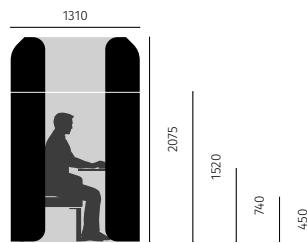

- The retreat consists of enclosures with integrated sofa elements.
- The seat height of the bench is 450 mm (table height).
- se:hive private features an integrated table that is connected to the module via support beams.
- The recommended user weight per seat is up to 110 kg.
- The bench is fitted with non-slip stop glides.
- The retreat offers exceptional build quality.

## Options/accessories

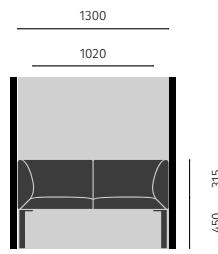

- se:hive private is available with and without an add-on.
- This bent sheet metal monitor mount comes in two versions:
  - 1) For se:hive private without attachment/add-on: the mount is simply hooked over the wall module,
  - 2) For se:hive private with attachment/add-on: the mount is inserted into the groove at the top of the wall module. The attachment is mounted above it in the usual way.
- The elements can also be planned with supplementary angled elements and face-to-face configurations.
- Choose from the Sedus fabric collections for bench upholstery.
- Screen fabrics can be selected from the Sedus portfolio, and there is also the option to choose different fabrics for the interior and exterior.
