

se:hive diner

Used as a retreat, the se:hive product family creates flexibly adaptable room structures that fit into existing facilities as well as new space concepts.

se:hive diner includes two fully upholstered benches facing each other, with a design that blends in seamlessly to create a private room solution. Thanks to its work-focused orientation and seat height, which is adapted to standard table dimensions, se:hive diner combines functionality with comfort and creates an inviting and sheltered atmosphere.

Advantages

- se:hive diner visually divides open space or large areas, creates zones and contributes to a pleasant office atmosphere.
- Different sizes and shapes cater for diverse use.
- The fabric-covered elements effectively reduce noise and create quieter retreats within the often noisy open space.
- The retreat offers solutions for various application scenarios such as a focused workstation, informal meetings or relaxed conversations.
- The soft seating elements and other work solutions expand the application potential from individual product to whole-space solution.
- The temporary retreat in modular design provides both visual and acoustic screening.

Features

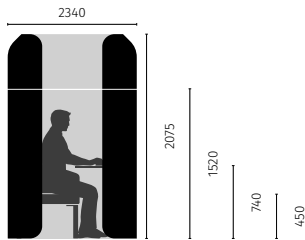

- se:hive diner consists of enclosures with integrated sofa elements.
- Fixed configurations with backrest and, where practical, arm-rests are available for the retreat.
- The seat height of the bench is 450 mm (table height).
- se:hive diner features an integrated table that is connected to the module via support beams, as well as an additional support foot.
- The desk height is 740 mm.
- The table top size is 1400 x 800 mm (4-seater diner), and 1790 x 800 mm (6-seater diner).

Options/accessories

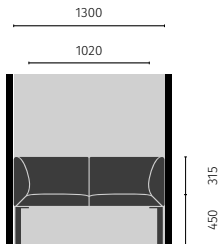

- The diner version can be configured as a 4- or 6-seater.
- se:hive diner is available with and without an add-on.
- This bent sheet metal monitor mount comes in two versions:
 - 1) For se:hive diner without attachment/add-on: the mount is simply hooked over the wall module
 - 2) For se:hive diner with attachment/add-on: the mount is inserted into the groove at the top of the wall module. The attachment is mounted above it in the usual way.
- The elements can also be planned with supplementary angled elements.
- Choose from the Sedus fabric collections for bench upholstery.
- Screen fabrics can be selected from the Sedus portfolio. There is also an option to choose different fabrics for the interior and exterior.
